.....

Please add this wire rope to the SP COLT library

Diameter of wire rope: e.g. 12mm

Construction : e.g. 1x7 or 7x19 or 6x36

Material: e.g. galvanised steel

Minimum breaking load (MBL) if known: e.g. 10te

Working load limit (WLL) if know: e.g. 1.85te

If working load limit is not known we will calculate it as a maximum of 20% of the MBL.
